Community Centre Renovation Grant Program

Guide & Application

Questions & Answers

What is the Community Centre Renovation Grant Program?

The Community Centre Renovation Grant Program (CCRGP) supports repairs, upgrades, retrofits, safety improvements and renovation projects at the City of Winnipeg Community Centre facilities.

Who can apply?

Applicants must be Community Centres as recognized by the City of Winnipeg.

What types of projects are eligible?

Renovations/repairs/upgrades to:

- Facility areas that receive operating funds through the Universal Funding Formula (UFF).
- Revenue-generating spaces (i.e. indoor arenas, ice plants, fieldhouses, and soccer complexes) and all associated infrastructure.
- Permanent outdoor hockey pens and associated infrastructure.

What types of projects are ineligible?

Projects to create new facilities or additions to existing facilities.

What are the eligibility criteria?

1. Applicant's UFF accountability requirements must be current and complete.
2. Applicants must be in good standing with the General Council of Winnipeg Community Centres (GCWCC).
3. Projects must result in a safe, secure and code-compliant facility improvement.

4. Community Centres are not eligible to receive more than one grant in a calendar year. Priority will be given to applicants that have not received a Community Centre Renovation Grant in the prior year.
5. Project benefits, planning and delivery need to be clearly identified.
6. When complete, the project will allow greater and diverse community use of the facility.
7. Project funding, including other funding sources and contingency funds in case of unforeseen circumstances, needs to be clearly identified in the application.
8. Projects must be undertaken by contractors who have City of Winnipeg approved Commercial General Liability Insurance and Workers' Compensation Board clearance.
9. Projects must be completed, with all funds expended, within 18 months of award.
10. Where applicable, projects must conform to the City of Winnipeg Accessibility Standards and Universal Design Policy. For additional information, please contact the Community Centre Facility Coordinator at GCWCC.
11. Projects must be accompanied by at least three quotes and/or professional cost estimates (where applicable). If fewer than three quotes are submitted, an explanation must be provided.
12. For 2025, completed applications must be submitted by October 15, 2025.

Do all applications that meet eligibility criteria get approved?

As funding is limited, not all projects which meet the criteria will be approved. It should not be assumed that the application is approved until notified in writing. Expenditures incurred before the project approval is received may be ineligible for reimbursement.

What are the financial limits of the grant?

The CCRGP will support up to 100% of eligible project costs to a maximum of \$100,000 per project. Fifty percent (50%) of the grant is payable once the project is approved (written project plan approval is required). The remaining 50% is payable upon verification of project completion to the satisfaction of the City of Winnipeg.

What are the deadlines?

Applicants can apply once every 12 months.

For 2025, there will be one intake with a submission deadline of October 15, 2025.

Applications received after the deadline will not be considered.

How does the grant get approved?

1. Applications are reviewed by the GCWCC Community Centre Facility Coordinator for eligibility and completeness.
2. Applications are considered by the Selection Committee consisting of City and GCWCC representatives.
3. Award decisions are made and communicated to applicants.

How is the grant paid out?

1. The City of Winnipeg Grant Administrator provides the Community Centre a letter of award and process for accessing the funding.
2. The City of Winnipeg ensures that all outstanding items, such as confirmation of project funding, are addressed.
3. The Community Centre enters into a CCRGP Agreement with the City of Winnipeg.
4. The Community Centre obtains City of Winnipeg project approval (written project plan approval is required) and initiates the work.
5. Upon receipt of the executed CCRGP Agreement and sign-off document, the City of Winnipeg Grant Administrator will release 50% of the approved funds.
 - Effective Spring 2021, Community Centres will receive the second half of the grant payment upon verification of project completion by the City of Winnipeg, plus submittal of the Final Claim Form, complete with copies of permits (if applicable) and invoices.
6. The Community Centre obtains City of Winnipeg written project completion approval.
7. The City of Winnipeg Grant Administrator will verify project completion and process the final claim for the remaining 50% of the approved funds.

What costs are eligible?

- Labour and materials
- Permits
- Taxes
- Other costs that have been identified and approved in advance and are considered to be direct and necessary to the success of the project (example: design fees, construction management fees)

Questions & Answers

What costs are ineligible?

- Costs incurred before project approval*
- Administrative or operating costs
- Feasibility studies
- Financing charges
- Advertising or promotions
- Meal expenses
- Travel expenses
- Expendable equipment (example: sporting goods, uniforms)

*** Expenditures incurred before the project approval is received are ineligible for reimbursement unless specifically identified and supported at the time of award.**

Preparing to apply

1. Review the CCRGP Guide and Application.
2. Review annual facility inspection reports to determine if your project addresses any identified issues.
3. Connect with the Community Centre Facility Coordinator at GCWCC to assist with the development of scope of work, help identify possible funding sources and support with the application process.
4. Ensure UFF accountability requirements are up to date.
5. Gather all required attachments.
6. Complete the application and answer all of the questions.

Helpful tips when applying

1. Project benefits, planning and delivery need to be clearly identified in the project proposal.
2. The project/application should address facility operations and services impact.
3. Ensure all other funding sources, including contingency funds, are clearly identified.
4. Review and include a clear project proposal that addresses the eligibility criteria of the program and answers the questions who, what, when, where and why.
5. Include three cost estimates from different contractors for each component of your project (and/or professional cost estimates, if applicable). If three cost estimates are not available, please explain why.
6. Please indicate if this project addresses any accessibility, energy efficiency, safety, and or regulatory requirements. For additional information please contact the Community Centre Facility Coordinator at GCWCC.
7. Applicants are encouraged to include a contingency amount in their project budget in case of unforeseen circumstances or increase in costs.
