THIS ADDENDUM SHALL BE INCORPORATED INTO THE BID OPPORTUNITY AND SHALL FORM A PART OF THE CONTRACT DOCUMENTS

Template Version: A20070419

Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Bid Opportunity, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 9 of Form A: Bid may render your Bid non-responsive.

Clarification

By "Interactive animation" we mean that, rather than a continuous flash animation that describes the entire process at the click of a mouse, we are looking for an animation that takes the viewer through a step by step "exploration" of the process. At the end of each step the viewer would be engaged to view the next step or possibly view more detail (description/pics) of the current step before continuing (clicking) to the next step or other optional elements.
