© David Wagner Associates Inc. All rights reserved. All drawings are conceptual in nature. It is to be clearly understood that the author, in producing said drawings, shall not be liable for any and all loss, damage or injury that may result from the drawings themselves, or from the construction work produced from this plan, or from any claim that may result subsequent to the project being constructed and one proceeding on the site. The author shall assume no responsibility for any claims or damages by the contractors or others of neighboring properties.

Should any claim be made directly against the author as a result of the drawings themselves, or as a result of the way in which the project is constructed, the author shall not be held liable for any and all damages to the property or persons, the author to be indemnified by the owner in full, including the costs of paying any and all court costs for the author or settling any judgments made against the author.

The reproduction may be made without the permission of the Landscape Architect and when made, must bear his/her name. Any and all designs herein are the property of the Landscape Architect. If copied and filed for design herein are intended for construction, once only. All prices to be returned to the Landscape Architect on request.

This drawing shall not be used for building purposes until countersigned by the Landscape Architect.

The contractor shall check all dimensions and other data on site and report any discrepancies to the Landscape Architect.

Figured dimensions to be taken in preference to scaled dimensions.

If in doubt please ask.
