PLEASE FORWARD THIS DOCUMENT TO WHOEVER IS IN POSSESSION OF THE BID OPPORTUNITY

THIS ADDENDUM SHALL BE INCORPORATED INTO THE BID OPPORTUNITY AND SHALL FORM A PART OF THE CONTRACT DOCUMENTS

Template Version: A20050506

Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Bid Opportunity, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 10 of Form A: Bid may render your Bid non-responsive.

PART B – BIDDING PROCEDURES

REVISE B2.1 to read:

The Submission Deadline is 12:00 noon Winnipeg time, June 6, 2007.

PART E – SPECIFICATIONS

Delete Clause 1.1.1.4 of Section 01055

Delete Clause 1.1.1.6 of Section 01055

Revise Clause 1.4.3.1 of Section 01055 to read:

Further to GC:6.29, the Contractor shall demobilize, clean up, and remove all repair Work related surplus materials, tools, equipment, waste and debris, access roads, storage areas, turnarounds, approaches to public roads, ditch crossings, and temporary culverts and dispose off site and backfill excavations by the day set for Total Performance.

Add Clause 1.4.4.2 of Section 01055

The Contractor shall provide facilities for safe working environment, including air mover and all other equipment as required.

Revise Clause 1.22.1 of Section 01500 to read:

The Contractor shall be responsible for repairing any damage to the access road, and the parking and storage areas within the Contractor's Site laydown area directly attributable to their operation, and for taking reasonable steps to ensure minimum damage to access covers.

Revise Clause 1.3.2 of Section 01670 to read:

Commissioning: for the purpose of this Specification Section, commissioning shall be defined as the successful operation of a system in accordance with its design requirements for a consecutive 7 days, unless otherwise specified.

Revise Clause 1.5.1.2 of Section 01670 to read:

Method for introducing flow, disposing of partially treated effluent, and disposing of any sludge or other residual solids generated during the commissioning process.

Revise Clause 3.4.13 of Section 01650 to read:
All chemicals, temporary power, heating, or any other ancillary services required to complete the initial demonstration, running test and performance tests are the responsibility of the Contractor.

Delete Clause 3.4.7 of Section 11050
