#### **PART B – BIDDING PROCEDURES**

Revise B17.4(iii) to read: Ability for users to access their land line from a remote location.

#### **PART D – SUPPLEMENTAL CONDITIONS**

Add: D13.9                    The City will require individual billing to a dynamic number of organizational units (currently approximately 450).

#### **PART E – SPECIFICATIONS**

Add: E3.6:                    The City utilizes 25 calling cards at present. Statistics for collect calls for the past year show a total of 151 calls.

Add: E3.7:                    The City has approximately 5100 network connections near phone jacks.

Revise E4.15 to read:        The City shall have the option to disconnect up to 20% of our Cellular or Blackberry devices in any given year of the contract without penalty including, hardware costs or portions thereof.

Add: E5.17:                    The City requires the right to disconnect land lines with our minimum requirement to be not less than 4000 lines. The Bidder should specify any applicable charges should our land line count drop below 4000.
