PART B – BIDDING PROCEDURES

Add: B15.2

B15.2 “**Will Build**” provides compliance with a mandatory requirement, provided the high-level description shown under “**Describe Approach**” is acceptable in the sole opinion of the City. “**Partly Available**” and “**3rd Party Supplied**” is also acceptable provided that “**Described Approach**” satisfactorily describes how the missing functionality is to be provided in the sole opinion of the City.

Add: B15.3

B15.3 Rated requirements will be scored individually based on the column checked (“**Not Possible**” is acceptable for rated requirements) and the description under the “**Describe Approach or available feature**”. The scores are then summed. Compliance is achieved if the summation is above a set minimum score.
