---

**PART A – BID SUBMISSION**

Replace: 855-2009Bid Submission with 855-2009Addendum 1 - Bid Submission. The following is a summary of changes incorporated in the replacement Bid Submission:

Form B(R1): Revise B2 (i.) To read **1200** mm dia CSP

Form B(R1): Add Items B10 (Supply and Installation of Debris Grate – 1200 mm dia)

**PART E – SPECIFICATIONS**

Revise: E19.4.4 to read:

Supply and Installation of Debris Grates

The supply and installation of the Debris Grate shall be measured on a unit basis. The units to be paid for shall be the total number of Debris Grates installed in accordance with this Specification and acceptable to the Contract Administrator as computed from measurements made by the Contract Administrator.

Separate measurement will be made for each size of debris grate

Supply and installation of Debris Grate will be paid for at the Contract Unit Price for the “Items of Work” listed below, measured specified herein, which price shall be payment in full for performing all operations described and all other items incidental to the Work included in this Specification.

**Items of Work:** Supply and Installation of Debris Grates

- i.. 750mm dia. Debris Grate
- ii. 1200mm dia. Debris Grate
