Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Request for Proposal, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 9 of Form A: Proposal may render your Proposal non-responsive.

PART A – PROPOSAL SUBMISSION

Replace: 290 Proposal Submission with 290 Addendum 2 - Proposal Submission. The following is a summary of changes incorporated in the replacement Proposal Submission:

Form B(R1): Modify statement on Table 1.

Page numbering on some forms may be changed as a result.

PART B – BIDDING PROCEDURES

Add: B14.7.1

B14.7.1 The Bidder shall identify the quantity of each element that comprise the initial configuration and provide the current index based discounted price for each such element.

Add: B14.8.1

B14.8.1 The Bidder shall identify the quantity of each element that comprise the additional configuration and provide the current index based discounted price for each such element.

Questions and Answers from Bidders

Q1 Can proposed solutions for the initial configuration exceed the budgetary limit of \$600,000.00?

A1 The City is providing a ballpark figure of \$600,000 for the Initial Configuration to assist vendors in designing an appropriate solution. If the Bidder believes their proposed solution provides significantly better value in meeting the City's needs by exceeding the budgetary limit then such a proposed solution can be presented.
