**PLEASE FORWARD THIS DOCUMENT TO
WHOEVER IS IN POSSESSION OF THE
REQUEST FOR PROPOSAL**

**THIS ADDENDUM SHALL BE INCORPORATED
INTO THE REQUEST FOR PROPOSAL AND
SHALL FORM A PART OF THE CONTRACT
DOCUMENTS**

Template Version: Ar20120228

Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Request for Proposal, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 9 of Form A: Proposal may render your Proposal non-responsive.

PART B – BIDDING PROCEDURES

(Addendum 2 referenced B4.1 in error)

Revise: **B2.1** to read: The Submission Deadline is 4:00 p.m. Winnipeg time, April 26, 2012.

Revise: **B6.6.1** to read: Further to B6.6, the Proposal shall be **no more than twenty-five (25) pages**, exclusive of the required forms. Failure to adhere to the page limitation may render the Proposal non-responsive.

PART D – SUPPLEMENTAL CONDITIONS

- Add: D3.4(c) The City has retained Stantec Consulting Ltd. to:
- (i) complete an environmental screening under the Canadian Environmental Assessment Act (CEAA);
 - (ii) complete a pre-construction survey of the Waverley West Arterial Roads Project (WWARP) footprint to facilitate the identification of any Species at Risk (vegetative or wildlife);
 - (iii) develop an Environmental Protection Plan (EPP). All construction contracts issued under WWARP must include and implement the EPP;
 - (iv) conduct environmental site inspections of the Waverley West Arterial Roads Project, submitting Monitoring Plan reports to Transport Canada.
- Add: D3.7 The Water and Waste Department will be coordinating the installation of a 750mm Feedermain along the east right-of-way of Kenaston Bv from Waverley St through to the existing Feedermain at Bison Dr.
- Add: D4.2(a)(i) The Water and Waste Department for the Feedermain installation along Kenaston Bv from Waverley St to Bison Dr.
- Add: D4.2(i) The City's environmental consultant for WWARP – Stantec Consulting Ltd. – as described in D3.4(c).
- Delete: D5.1.1
- Add: D5.3(d)(i) Incorporate the EPP developed by the City's environmental consultant (D3.4(c)(iii)).

- Add: D5.3(e)(i) It is expected that the Consultant will only be required to coordinate, accommodate and assist as required, the City's environmental consultant with their environmental monitoring and reporting for any project location required within WWARP.
- Add: D5.3(f)(i) The City will provide any available development plans for land drainage within the Project limits.
- Add: D5.3(g)(ii) The City will provide any available geotechnical reports conducted within the Project limits.
- Add: D5.3(g)(iii) The Consultant will be expected to provide the results of their sub-surface explorations and analyses to the Water and Waste Department for their use in the Feedermain installation (D3.7).
- Revise: D5.3(i)(i) to read Determining by means of traffic operational studies and analyses, appropriate geometric requirements for all intersections – including any auxiliary lane requirements – and median openings. Analysis is to be conducted using Synchro and Simtraffic and the resulting files are to be provided to the City for review.
- (i) The respective developers are financially responsible for all connections to Kenaston Bv within The Project limits. The Consultant will monitor all costs associated with these elements separately;
 - (ii) The City will provide the Consultant with any available background traffic studies.
- Add: D6.3(c) Include a section of "Operating Constraints for Working in Close Proximity to the Feedermain" with respect to D3.7.
- Add: D6.3(d) Include the Environmental Protection Plan as described in D3.4(c)(iii)
- Add: D6.4(j)(i) The monthly cost statements and projections will include a separated breakdown of any developer-responsible costs.
- Add: D6.4(m) Monitor and update the project Risk Management Plan as required;
- Add: D7.2(e) Monitor and update the project Risk Management Plan as required;
- Add: D7.3(j) coordination with, accommodation to and assistance for, as required, the City's environmental consultant with their environmental monitoring and reporting for any project location within WWARP.
