

SECTION X
AREA TITLE

X.1 GENERAL DESCRIPTION

Refer to Process and Instrumentation Drawing:

Refer to Process Drawing:

Refer to the Area X Standard Operating Procedure and DCS Narrative

General description of processes located in Area X

X.2 PROCESS SYSTEM #1 IN AREA X

X.2.1 Process Description

Refer to Process and Instrumentation Drawing

Refer to Process Drawing

Briefly describe how the specific process functions in Area X... Include tag numbers

X.2.2 Design Criteria

Equipment (i.e. Ferric Chloride Tank)

Tag No. Y-ABC-Y

Spec #####

Type

Pump No. 1

Tag No. Y-DEF-Y

Spec #####

Type Peristaltic

X.2.3 Operation and Control

Refer to Figure X-1

Brief description of how the process is operated/controlled; include tag numbers

X.2.4 Safety

Area X

X.2.4.1 Protection Systems

X.2.4.2 Emergency Shutdown and Power Failure

X.2.4.3 Personal Protection Equipment

X.3 PROCESS SYSTEM #2 IN AREA X
