D3. BACKGROUND

D3.1 On January 29, 2013 City of Winnipeg Council adopted the 2013 Capital Budget which includes funding of the Library Redevelopment Strategy as referred by the Standing Policy Committee on Protection and Community Services on July 5, 2012. The Windsor Park Branch Library is the second site to be delivered as a project within the Library Redevelopment program.

Windsor Park Branch Library is presently located at 955 Cottonwood Road. It is a single story 6,600 square foot facility that was opened to the public in 1961. Although building improvements have been undertaken throughout the years it remains substantially original and does not fulfil the service delivery standards of a contemporary library.

The New Windsor Park Library is to be a single storey 8,000 square foot facility that is to provide a community level of service to a population of approximately 20,000. In keeping with civic development policy, the new facility is to be built on a site that is in close proximity to BoniVital Pool, and thereby create a centralized, multi-service community complex.

The project site is located at 1201 Archibald Street which is within a 110 acre parcel of City owned land zoned PR2 encompassing Windsor Park Golf Course and the BoniVital Pool facility. 1201 Archibald Street was previously used by Public Works Department as a maintenance yard until operations were relocated to the East Yards complex in summer, 2013. A vacant single story building remains on the site but will be demolished by the City prior to construction of the New Windsor Park Library.

Environmental Site Assessment studies (ESA I & II) were conducted at 1201 Archibald Street, the outcome of which confirmed the presence of environmental contamination associated with the past use of the land. The ESA studies and associated reports, as well as a subsequent Remediation Action Plan (RAP) were prepared in 2013 by Concentric Associates International Incorporated and will be made available upon request. The site remediation will be completed by the City prior to the construction of the New Windsor Park Library.
