PART D – SUPPLEMENTAL CONDITIONS

Revise: D21.1 to read:

When the City causes a delay in the loading or unloading of biosolids at NEWPCC Biosolids Dewatering Facility, Brady Road Resource Management Facility, Pilot Biosolids Composting Facility or Storage Pad, the City will compensate the Contractor for any time in excess of one (1) hour per a day per one location. There will be no compensation for delays which are less than one hour per a day per one location or where the City has notified the Contractor twenty-four (24) hours in advance of a requirement to suspend or reschedule delivery. During regular hours, the delay must be brought to the attention of the Contract Administrator within one (1) hour of the time at which such delay occurred. Failure to notify as specified will result in non-payment of such claims.
