#### **PART E – SPECIFICATIONS**

Revise E2.1(f): to read:

##### **E2.1(f)**

The key management system shall have a mobile audit media permanently attached to each key asset. **The Contractor shall supply one (1) OEM ruggedized locking cable with identification tags per each required key asset count. The ruggedized cable shall secure a key asset to the mobile audit media.** The audit media shall be not removable and shall be able to endure the usage in harsh environmental and application conditions. The audit media shall be able to store specific information about the key asset. Physical immobilization of the key assets within the cabinet shall be performed by means of audit media;
