#### **PART B - BIDDING PROCEDURES**

Revise D9.2 to read:

- D9.2 The Contractor providing licensed equipment (insured through MPI or another Auto liability carrier) shall provide and maintain the following insurance coverage:
- a) Automobile Liability Insurance covering all motor vehicles, owned and operated and used or to be used by the Contractor directly or indirectly in the performance of the Service. The Limit of Liability shall not be less than \$2,000,000 inclusive for loss or damage including personal injuries and death resulting from any one accident or occurrence. Insurance certificate must clearly state that the "Excluding Operation of Attached Machinery Endorsement" or SEF #30 does not apply to the operations of the Contractor. No absence of evidence of commercial general liability is not a recommendation by the City that the Contractor operate without liability insurance.
  - b) Confirmation – either under the Automobile Liability policy OR the commercial general liability policy that coverage includes loading and unloading / hauling and dumping.
