QUESTIONS AND ANSWERS

- Q1 Part B: Request For Qualification Information: B3.11. There is a reference in the RFQ to an Enterprise Content Management (ECM) tool that the City is in the process of selecting. Has such a tool been selected yet? If a tool has not been selected, is there a short-list of potential ECM tools?
- A1 No ECM tool has been selected to date by the City, as the ECM project has only completed the strategic evaluation phase. There is internal awareness of potential ECM tools, but no short-list has been developed.
- Q2 Part B: Request For Qualification Information: B26.1. Is there any internal preference for on premise hosting of the PPMS tool, or is cloud hosting preferred?
- A2 There is currently an internal preference for on premise hosting of PPMS.
