Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Bid Opportunity, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 8 of Form A: Bid may render your Bid non-responsive.

PART A – BID SUBMISSION

Replace: 688-2016 Bid Submission with 688-2016 Addendum 1 - Bid Submission. The following is a summary of changes incorporated in the replacement Bid Submission:

Form B(R1): Updated approx. quantity of item no. A.13.

PART E – SPECIFICATIONS

- Replace: E17.3.3 to read: Tennis center pipe net anchors to be 1200mm long by Ø50mm fence post with 12mm stainless steel bolt and hardware installed 25mm below the finished edge of the fence post.
- Revise: E17.4.1 to read: Tennis posts to be installed into concrete pile minimum 450mm diameter, 3.00m deep belled to 900mm and reinforced with metal cage or as per manufacturers requirements, or engineers requirements whichever is more stringent.
- Revise: E17.4.3 to read: Tennis center pipe net anchors are to be installed at the designated locations flush with the proposed finished surface. Anchors shall be hammered through the pavement and structure until flush with the finished surface. Care must be taken to avoid excessive mushrooming of the anchor. Burrs and sharp edges shall be grinded smooth. Anchors shall be installed prior to the application of plexipave or other surface finishing works.
