PART D – SUPPLEMENTAL CONDITIONS

Delete: D13

Revise: D14.1 to read: If the Contractor fails to achieve the Work of the Contract in accordance with **E2.1 and E2.2**, the Contractor shall pay the City eight hundred dollars (\$800) per Calendar Day for each day.

PART E – SPECIFICATIONS

Add: E2.1(a) The Contractor shall supply sufficient birds of prey and trainer suitable for this Work. The number of required birds of prey may increase during period of high migratory bird activity.

Add: E2.4 The City has the right to determine the period(s) of time during which bird control and nest/egg management will occur. For reasons including, but not limited to, variation in climatic and weather conditions (e.g. late spring thaw, flood, and snowfall), the start and end date for the bird control and nest/egg management may vary from year to year. Historically, the period of time for the bird control and nest/egg management has been approximately seven (7) month from approximately April to October.

Add: E2.4(a) The City will provide two (2) weeks' notice to the Contractor prior to the start and end date for the bird control and nest/egg management services.

Revise: E2.1 The Contractor shall provide service for bird control using the methods approved in B13 or B14. The Contractor shall keep unwanted **gulls** and other birds from remaining at the Brady Road Resource Management Facility in accordance with the requirements hereinafter specified.

Revise: E2.2 **The Contractor shall provide nest/egg management services. The Contractor shall follow the approved submitted proposed project in B15 at the Brady Road**

Resource Management Facility in accordance with the requirements hereinafter specified.

Revise: E2.3

The Contractor shall be aware that there are several locations at the Brady Road Resource Management Facility that will require **bird control and/or nest/egg management** as shown on Drawing Brady Site Map.pdf.
