QUESTIONS AND ANSWERS

Q1 Is there an incumbent for this RFP?

A1 No, there is no incumbent.

Q2 Has it been determined that this will need to be a custom application?

A2 While the market research found that no off-the shelf product(s) would satisfy our requirements, thus indicating that a custom application would be required, we still have not ruled out the possibility of an off-the-shelf solution offering that could meet our needs as described in the RFP.
