Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Bid Opportunity, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 8 of Form A: Bid may render your Bid non-responsive.

IMPORTANT NOTICE TO BIDDERS

Revise: OPERATOR BEST PRACTICES GUIDELINES (2nd page of Bid Opportunity Document).

All operators of truck plows, graders and loaders are required to complete the City of Winnipeg Snow Clearing Best Practices Online Orientation and have a certificate of completion in possession when reporting to work for the City.

The City of Winnipeg Snow Clearing Best Practices Guidelines is an online orientation that has the objective to educate and increase operator knowledge on how to best perform street snow clearing work on City right-of-way. The online orientation is a joint venture between the City of Winnipeg Streets Maintenance Division and the Heavy Equipment & Aggregate Trucker Association (HEAT).

In order to take the online orientation, registration spots must be purchased from HEAT in order to receive a unique login credential and to have access. The cost per registration spot is **\$25.00** for member and \$40.00 for non-member.

The cost per registration spot shall be borne by the bidder.

Access to the online orientation can be found at www.citysnowremoval.ca and questions regarding registering for access should be sent to memberservices@heatmb.ca or by phone at 204-809-0142.
