---

**Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Bid Opportunity, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 8 of Form A: Bid may render your Bid non-responsive.**

---

### **PART B – BIDDING PROCEDURES**

Revise: B2.1 to read: The Submission Deadline is 4:00 p.m. Winnipeg time, November 20, 2018.

### **PART D – SUPPLEMENTAL CONDITIONS**

- Revise: D2.2(c) to read: Loading and unloading of materials on and off the City supply train at the location indicated in E5 of the Bid Opportunity. The Contractor will be responsible for the offloading of equipment at site. This may require the Contractor to bring in a zoom boom or similar equipment for offloading of pumps, etc.
- Add D2.2.(k) (i) The new transformer for the electrical shed will be loaded and delivered out to Shoal Lake Aqueduct Intake by the City of Winnipeg.
- Add D2.2 (k) (ii) Offloading and storage of the transformer at Shoal Lake Aqueduct Intake will be the responsibility of the Contractor.
- Add: D13.2 All Contract time frames are based on five (5) Business Days per week.

### **PART E – SPECIFICATIONS**

- Add: E4.2. The Contractor is allowed to work additional hours outside of this timeframe.
- Add: E5.5 (b) The pickup time for Contractor's personnel at East Braintree or Mile 82.44 will typically be 9 am to 9:30 am at the start of the work week. The time will vary depending on the actual pickup location and amount of material being brought into site. When the personnel are leaving the site the track unit will leave at 2 pm at the latest and will return them to Mile 82.44 or East Braintree.
- Add: E8 REFERENCE DRAWINGS
- E8.1 The reference drawings provided are for informational purposes only and the City or the Contract Administrator make no claims or liability to the accuracy of the information provided.
