##### **Section 02 41 16 Structure Demolition**

Add: 1.24.4.2

Perimeter exterior structural basement walls need to remain in place to protect the integrity of the existing utilities and other infrastructure. Specifically, the Public Safety Building east and south basement walls along King Street and William Avenue; and the Civic Centre Car Park west and north basement walls along Princess Street and James Avenue. Finish grade at top of basement wall to be at the discretion of Contract Administrator. The location and dimensions of the remaining basement walls and structure need to be surveyed and recorded.
