QUESTIONS AND ANSWERS

Q1: We are requesting an extension of at least 2 weeks to the submission deadline. We will require this additional time in order to effectively respond to the RFP given summer schedules and availabilities. Please advise if this extension can be granted?

A1: Yes, 2 weeks extension is granted.

Q2: Is there an incumbent already doing work or which has done related work for the City of Winnipeg?

A2: There is no incumbent for the work related to this RFP.

Q3: Does the City of Winnipeg anticipate that this work may be a pre-cursor to future opportunities to implement new technology solutions and/or organizational design? Would delivering this initial phase of work preclude the successful proponent from bidding on subsequent related work?

A3: At this time the City of Winnipeg has no firm plans.

Q4: Do you plan on inviting the chosen firm to, as part of another subsequent contract, participate in completing future phases?

A4: See A3.
