PART C - DEVELOPMENT PARAMETERS

C1. PLANNING & LAND USE

- C1.1 On May 26, 2022, City Council adopted the *OurWinnipeg* Plan By-Law No. 120/2020 ("*OurWinnipeg*"). *OurWinnipeg* is the city's long-range development plan, which sets a vision for the next 25 years. The *Complete Communities Direction Strategy 2.0 (CCDS 2.0)* is a citywide secondary plan that guides growth, development, and land use in the city. Proponents are encouraged to include reference to *OurWinnipeg* and *CCDS 2.0* in their Proposals.

The subject property is located along an "Urban Mixed Use Corridor" in *Complete Communities'* Urban Structure map. Urban Mixed Use Corridors are the most pedestrian-oriented of the City's Corridors. Their design and land use either currently provide a high-quality urban environment or are expected to transition to such a standard in the shorter term. The City will prioritize the creation of vibrant pedestrian and transit-oriented places in these Corridors by encouraging residential and commercial intensification, ensuring careful attention to urban design, and through strategic infrastructure investments.

- C1.2 Details of the *OurWinnipeg Plan* By-Law 120/2020, and the *Complete Communities Direction Strategy 2.0* By -Law 119/2020 respectively can be found at:
- (a) <https://clkapps.winnipeg.ca/DMIS/DocExt/ViewDoc.asp?DocumentTypeld=1&DocId=8222>
 - (b) <https://clkapps.winnipeg.ca/DMIS/DocExt/ViewDoc.asp?DocumentTypeld=1&DocId=8221>

A Plan of Subdivision and Development Application (DASZ) will be required to create the Subject Property. Additional details are provided in C4.
- C2.3 The Proponent is advised that zoning variances may be required depending on the Proponent's intended use of the Subject City Property.
- C2.4 The Proponent should contact the Zoning and Permits Branch at 204-986-5140 to ensure that their intended development and/or use falls within the current zoning category. Any re-zoning, conditional use or variance will be at the Proponent's sole cost and expense.
