Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Bid/Proposal, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 10 of Form A: Bid/Proposal may render your Bid/Proposal non-responsive.

PART E – SPECIFICATIONS

Add: E2.10

If a chemical is manufactured from a continuous process and is not batched, the certificate of analysis may be provided without a production lot number or specific date of manufacture as specified. The Contractor shall provide other manufacturing identifying information if available on the certificate of analysis, such as the chemical storage tank number that the chemical is supplied from.
