PART B – BIDDING PROCEDURES

Add: B8.1(c)

B8.1(c) Any supplementary terms (such as service agreement)

Add: B8.4

B8.4 Any agreement which the Bidder requests to have signed, or agreed to, by the City (such as a Service Agreement), must either be compliant with all relevant terms of the Contract (including, without limitation, the obligations imposed upon the Bidder) or must be sufficiently negotiable to meet the same standards.

Add: B17.2.1

B17.2.1 In the event that the lowest responsive and qualified Bidder submits terms and conditions with their Bid, the City shall review same and may negotiate or accept same at its discretion. The City and lowest responsive and qualified Bidder may undertake this negotiation process within thirty (30) Calendar Days of the Submission Deadline. In the event that the negotiation process does not result in terms and conditions for the Contract acceptable to both the City and the applicable Bidder, the City may determine the Bid non-responsive and may review any terms and conditions submitted by the new lowest responsive and qualified Bidder, at which point the negotiations process and deadlines as described above will once again apply.
