Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Bid/Proposal, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 10 of Form A: Bid/Proposal may render your Bid/Proposal non-responsive.

PART D – SUPPLEMENTAL CONDITIONS

- | | | |
|---------|----------------|---|
| Revise: | D3.2 to read: | The funds available for this Contract are approximately \$250,000.00. |
| Add: | D3.3 (b) (vii) | New water service from City of Winnipeg water main into the Flood Pumping Station. |
| Add: | D5 (e) (iv) | Investigate, review and provide recommendations about the requirement for the fourth (4) pump in the FPS. The fourth (4) pump has been out of service since at least 2008. Provide rationale for its original installation and purpose, and if it is still required for the operation of the FPS. |
| Add: | D6.1 (c) (ix) | Design for new water service into the building from City of Winnipeg water main. |
