QUESTIONS AND ANSWERS

- Q1. Working with Indigenous groups, we find it is customary to provide honorarium, gifts, and / or tobacco as part of any knowledge being shared. Also, there may be other ceremony protocols (i.e. drum, water ceremony, etc.), that will have additional costs. Does the City include these under the engagement costs that it holds responsibility for, or, are these under the allowable disbursements identified in C1.1(b)?
- A1. Costs associated with providing honorariums, gifts and/or tobacco or ceremony protocols when working with Indigenous Groups are included in the expenses for which the City is responsible as per D4.48.
