QUESTIONS AND ANSWERS

Q1: Is there a proposed location for the new gate chamber? Will it be upstream or downstream of the discharge pipes?

A1: The gate chamber shall be located on the North side of PTH100

Q2: Does the City have and can provide a copy of a drawing of the existing culvert crossing the Perimeter Highway, east of Pembina Highway?

A2: The City does not have the drawing. The culvert is fully accessible and can be viewed at anytime by the Consultant.
