### Adult Nuisance Mosquito Fogging Bulletin #16

**For Immediate Release  
Wednesday, July 23, 2014**

#### **Adult Nuisance Mosquito Fogging Program continues**

**Winnipeg, MB** – Due to cooler overnight temperatures, the City of Winnipeg's Insect Control Branch was not able to complete all the scheduled Insect Management Areas for adult nuisance mosquito fogging.

Today, Wednesday, July 23, 2014, weather permitting, the Public Works Department's Insect Control Branch will continue adult nuisance mosquito fogging in Insect Management Areas **1, 3, 6, 7 and 41**. Upon completion, crews will treat in Insect Management Areas **26, 27, 29, 34, 36, 49 and 50**. Adult nuisance mosquito fogging occurs between the hours of 9:30 p.m. and 6:30 a.m.

### **General Information**

Public Service Announcements (PSAs) will be released daily at least eight hours in advance of fogging. These PSAs will identify the Insect Management Areas the ICB is planning to treat that evening, weather permitting. Until further notice, fogging will be carried out on a daily basis between the hours of 9:30 p.m. and 6:30 a.m. Fogging will not occur when temperatures are below 13 degrees Celsius and/or wind speeds are not conducive to fogging.

The insecticide Pro Malathion ULV® will be used. This insecticide has been approved for use in Canada by Health Canada's Pest Management Regulatory Agency. Pro Malathion ULV® will be used in accordance with federally approved label directions by licensed pesticide applicators.

**All buffer zones will be respected.** Crews will ensure that the sprayer is not treating within 90 metres on each side of a registered property on the front street, side street, and rear lane.

Property owners not wanting insecticides applied on or adjacent to their principal residence may register as "Anti-Pesticide Registrants" (APR) for the adult nuisance mosquito control program. Those who wish to register must provide identification that ties the registrant to the address being registered for a buffer zone. A photocopy or scanned document such as a driver's licence or a utility bill will suffice as acceptable identification proving primary residence. **All buffer zones will be respected if the request is received 72 hours prior to fogging in that Insect Management Area.**

There are four different options to register:

- In writing to Insect Control Branch at 3 Grey Street, Winnipeg, MB, R2L 1V2,
- Emailing 311 at [311@winnipeg.ca](mailto:311@winnipeg.ca)
- Faxing 311, or
- In person at 1539 Waverley Street.

Personal notification by telephone and/or email of the fogging program activities is also available by:

- Contacting the Insect Control Branch in writing at 3 Grey Street, Winnipeg, MB R2L 1V2,
- Emailing [311@winnipeg.ca](mailto:311@winnipeg.ca) or faxing 311,
