

# Brady Road Resource Management Facility

Community Liaison Committee  
June 9, 2021

# Brady CLC

## The impact of COVID-19 on Brady

- Have maintained on-site operations without disruption
- Continuing mask use and social distancing to keep customers and staff safe
- Residential volumes have returned to normal

# Brady CLC

## Landscaping and Long-term Site Planning

- Continue working with the Province on replacements for trees lost due to service road construction
- Working with City Naturalists to monitor success of trees and shrubs planted on lime mud berms
- Landscaping around new admin building this spring
- North-face has been seeded
- Cell 30 has been prepped and will be seeded with prairie grasses

## Odour, Noise and Nuisance Management

- Received 0 odour complaints since last meeting
  - can be attributed to operational improvements and completion of latest LFG expansion
- Falcons back on site for bird management
  - lots of geese this year
- Litter control continues
  - using new wind fencing
  - New Directions back to help with litter

# Brady CLC

## Site Improvements, Seasonal & Project Activity

- New service road/access to Brady complete
- Cell 33 construction has started
  - to be ready this fall
  - located south of active cell
- 2021 curbside yard waste collection season began April 19
  - seeing normal volumes so far

## Reducing the Impact on the Environment

- More LFG wells are online in new areas of the landfill
  - using horizontal collection lines in new cells to maximize efficiency

# Brady CLC

## Research Partnerships & Resource Development

- Landfill gas beneficial use study
  - study is complete, results have been presented to Council on [February 25](#)
  - Working on business case for the recommendations

# Brady CLC

## New business

- Residential Food Waste Collection Pilot Project continues
  - food waste is being incorporated with LYW
  - will run until September 2022
- Compost giveaway event has been postponed
  - continue to use compost on-site, by other city departments and community gardens, sold to local landscapers
- Spring giveaway weekend was cancelled

# Brady CLC
